Seven Counties Services, Inc., a private, non-profit corporation, is the state-designated regional behavioral health center for Bullitt, Henry, Jefferson, Oldham, Shelby, Spencer, and Trimble counties of Kentucky. The mission of Seven Counties is to build healthy communities by helping individuals and families who are affected by mental illness, developmental disabilities, addictions and abuse realize their potential. Seven Counties is nationally recognized for its innovative and effective programming and fully accredited by the Joint Commission. The organization is the largest non-profit, non-hospital organization and 25th largest employer in the Louisville metro area. More than 1,400 clinical and administrative staff members and 400 volunteers create and deliver quality services to approximately 30,000 persons each year.
